

Product Information:

- Particulate respirator with ear loops
- High filtration efficiency
- 5 Layer mask
- Filtration efficiency @ $.3\mu\text{m}$ particulate $\geq 95\%$
- Lightweight
- Non-medical use
- Adjustable nose piece provides proper fit
- Disposable protective mask
- Easy to wear with clear and simple fitting instructions
- Not meant for wearing multiple times

Technical Data:

Part No.: KN95

Material: 69% Polypropylene non-woven fabric, 31% Melt blown fabric

Color: White

Packaging: 50 pieces/box
(1000pc) per carton

Shelf Life: Two years in sealed packaging
